**Lovely Concert in  
St Peter's Church Barton**

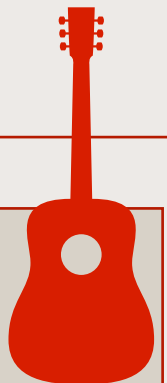

**By Toft Session**

Join us for an evening of traditional songs and music.

Toft Session delights audiences with an entertaining programme of songs and music from the best of the folk traditions of Britain and Ireland. Songs of love and loss, tales of tears and of joy are uniquely combined with traditional Irish tunes and the occasional modern classic thrown in for good measure.

Refreshments will be provided.

Toft Session is giving this concert freely to help with our Church funds.

Donations will be appreciated on the night.
