

Can you help Barton CE VA Primary School raise £12,500?

The Diocese of Ely has awarded the school over £100,000 towards essential building work on condition that the Governors raise 10% of the total cost. This cannot be taken from the school budget as essential services would be compromised.

The refurbishment includes an up-to-date extension to the entrance for parents and visitors and the resolution of long term plumbing problems. The alterations are necessary in order for the school to comply with the latest Safeguarding and Health and Safety regulations.

If you can help us to raise £12,500, or would like more information, please contact the school on 01223 262474 or email office@barton.cambs.sch.uk.

Thank you very much for your help.
