

On Monday 25 June, the Greater Cambridge Partnership is launching a consultation on two newly proposed cycle & walking routes linking Cambridge to local villages, the Barton and Haslingfield Greenways.

Leaflets and questionnaires will be delivered to local residents in the week beginning 25 June 2018. An online consultation platform containing scheme details and questionnaires will go live on Monday 25 June. The platform can be found through the following link:

<https://www.greatercambridge.org.uk/greenwaysconsultation/>

You can request a paper copy of the leaflet by getting in touch with us at consultations@greatercambridge.org.uk

We will be holding a set of events across the affected areas for stakeholders to find out more information from officers on the proposed routes. Details can be found below.
