

This autumn, the Greater Cambridge Partnership is launching a consultation on a newly proposed cycle, walking and equestrian route linking Cambridge to local villages, the Comberton Greenway.

The Comberton consultation began on 29 October 2018 and will run until 17 December 2018. Consultation leaflets and questionnaires are currently being delivered to local residents.

An online consultation platform containing scheme details and questionnaires can be found through the following link:<https://www.greatercambridge.org.uk/greenwaysconsultation/>

You can request paper copies of the leaflets by getting in touch with us at consultations@greatercambridge.org.uk

We will be holding a set of events near the proposed routes for stakeholders to find out more information. Details can be found below.

Location	Date	Time
